Cell phone: 407 702 8322
Email: lvandervoort@cop.ufl.edu
Licensure: Florida PS30599

EDUCATION

1995-1996 Pharmacy Practice Residency
Shands Hospital at the University of Florida
Gainesville, Florida

1995 Doctor of Pharmacy, with honors
University of Florida
College of Pharmacy
Gainesville, Florida

PROFESSIONAL EXPERIENCE

December 2011-present University of Florida
Office of Experiential Programs
Regional Coordinator
Orlando/Gainesville, Florida

May 2008- 2012 University of Florida
Working Professional Doctor of Pharmacy Program
Basic Clinical Skills Coordinator
Orlando/Gainesville, Florida

December 2007-present University of Florida
Working Professional Doctor of Pharmacy Program
Course Coordinator
Orlando, Florida

January 2007- present	University of Florida College of Pharmacy Clinical Adjunct Professor Orlando Campus Facilitator Orlando, Florida
May 1998- December 2006	Orlando Regional Medical Center Clinical Specialist, Internal Medicine/Infectious Disease Orlando, Florida
November 1996- May 1998	Orlando Regional Medical Center Clinical Staff Pharmacist Orlando, Florida
July 1995-June 1996	Shands Hospital at the University of Florida Pharmacy Practice Resident Gainesville, Florida
May 1992-June 1995	Manatee Memorial Hospital Pharmacy Intern Bradenton, Florida

INSTITUTION COMMITTEES

South Lake Hospital Antimicrobial Stewardship Committee
Orlando Regional *C difficile* Joint Action Group
Orlando Regional Corporate Measures Committee
Orlando Regional Pharmacy Practice Residency Planning Committee
Orlando Regional Pharmacy Practice Residency Steering Committee
ORMC Pharmacy Clinical Team
Orlando Regional Corporate Clinical Team
Orlando Regional Infection Control Committee
ORMC Clinical Antibiotic Pharmacy Service, Assistant Director
Orlando Regional Antimicrobial Subcommittee of Pharmacy and Therapeutics
Committee, Facilitator

TEACHING EXPERIENCE

WPPD Infectious Disease Thread Coordinator

Coordinator of ID topics

2011-2015

Medication Therapy Management: A Gastrointestinal Focus

Course Coordinator

Spring 2012, Summer 2013, Fall 2014, Spring 2016

WPPD Pharmacokinetic Thread Coordinator

Coordinator of PK topics

2011-2015

Evidence Based Pharmacy

Facilitator, Orlando

Fall 2010 – present

Pharmaceutical Care for Patients with Gastrointestinal Disorders

Course Coordinator

Summer 2008, Spring 2010, Fall 2013, Summer 2016

HIV Elective

Facilitator, Orlando

Spring 2008 - 2013

Pharmacotherapy II

Facilitator, Orlando

Fall 2007 – 2015

Integrated Case Studies I, 2PD

Facilitator, Orlando

Fall 2007 –2015

Physiological Basis of Disease I

Facilitator, Orlando

Fall 2007 –2014

Pharmacotherapy IV

Pharmacokinetics Facilitator, Orlando

Fall 2007 – present

Pharmacotherapy III

Facilitator, Orlando

Spring 2007 – 2016

TEACHING EXPERIENCE (continued)

Communications

Facilitator, Orlando
Spring 2007 – 2016

Integrated Case Studies II, 2PD

Facilitator, Orlando
Spring 2007 – 2016

Physiological Basis of Disease II

Facilitator, Orlando
Spring 2007 – 2015

Pharmacotherapy V

Pharmacokinetics Facilitator, Orlando
Spring 2007 – present

Dose Op II

Facilitator, Orlando
Spring 2006 -2016

Dose Op I

Facilitator, Orlando
Fall 2005 – 2015

PRESENTATIONS

“Constipation” Presented to pharmacy students in the Master of Science in Pharmacy in Medication Therapy Management program at the University of Florida, August 2013, April 2016

“Pharmacokinetics of Cardiac Medications” Presented to pharmacy students in the WPPD program at the University of Florida, June 2012, September 2014.

“Drug-Drug Interactions” Presented to pharmacy students in the Master of Science in Pharmacy in Medication Therapy Management program at the University of Florida, March 2012, August 2013.

PRESENTATIONS (Continued)

“Drug Dosing in Liver Disease” Presented to pharmacy students in the Master of Science in Pharmacy in Medication Therapy Management program at the University of Florida, March 2012, August 2013.

“Urinary Tract Infections and Prostatitis” Presented to pharmacy students in the Master of Science in Pharmacy in Medication Therapy Management program at the University of Florida, January 2012, 2014.

“Introduction to Infectious Disease” Presented to pharmacists at Central Florida Society of Health-Systems Pharmacists, Orlando, Florida, August 2011.

“Treatment of Skin and Soft Tissue Infections” Presented to pharmacy students in the WPPD program at the University of Florida, May 2011, 2014.

“Treatment of Bone and Joint Infections” Presented to pharmacy students in the WPPD program at the University of Florida, May 2011, 2014.

“Pharmacokinetics of Antiepileptic Medications” Presented to pharmacy students in the WPPD program at the University of Florida, April 2011, February 2014.

“SOAP Note Documentation” Presented to pharmacy students in the Master of Science in Pharmacy in Medication Therapy Management program at the University of Florida, April 2011.

“Drug-Drug Interactions” Presented to pharmacy students in the WPPD program at the University of Florida, October 2010, 2013, 2016

“Introduction to Infectious Disease” Presented to pharmacy students in the WPPD program at the University of Florida, March 2010, May 2012.

“Treatment of UTIs” Presented to pharmacy students in the entry-level PharmD program at the University of Florida, February 2009, 2010, 2011, 2012, 2013, 2014.

“Introduction to Infectious Diseases and Antibiotic Review” Presented to pharmacy students in the entry-level PharmD program at the University of Florida, February 2009, 2010, 2011, 2012, 2013, 2014, 2015.

“HIV Update” Presented to Florida Society of Health-Systems Pharmacists, August 2007.

“Surgical Prophylaxis” Presented to the Surgical Nurses of Central Florida, Orlando, Florida, November 2003

“Parenteral and Enteral Nutrition” Presented to internal medicine residents at noon conference, Orlando, Florida, April 2003, October 2003.

PRESENTATIONS (Continued)

“Aminoglycoside and Vancomycin Pharmacokinetics.” Presented to internal medicine residents at noon conference, Orlando, Florida, October 2002, November 2003.

“Antibiotic Update.” Presented at the 24th Annual Infectious Disease & Antibiotic Therapy Conference, Orlando, Florida, July 2002.

“Antibiotic Update.” Presented at Orlando Regional Grand Rounds, Orlando, Florida, June 2002.

“Antibiotic Update 2001” Presented at Florida Society of Health-System Pharmacists Annual Convention, Orlando, Florida, August 2001.

“Treatment of Gram-Positive Infections.” Presented to local physicians, Lake City, Florida, May 2001.

“Empiric Antibiotic Usage.” Presented at internal medicine noon conference, Orlando, Florida, September 2000.

“Empiric Antibiotic Usage.” Presented to local physicians, Orlando, Florida, July 2000.

“HIV.” Presented to a local group of teenagers and their parents, Orlando, Florida, June 1999.

“Hospital-wide patient monitoring: A staff pharmacist provided program. Poster presented at ACCP-International Congress on Clinical Pharmacy, Orlando, Florida, April 1999.

“The Outpatient Treatment of DVT.” Presented to the pharmacy staff at Orlando Regional Medical Center, Orlando, Florida, October 1998.

“Acute/Chronic Atrial Fibrillation.” Presented to the pharmacy staff at Orlando Regional Medical Center, Orlando, Florida, October 1997.

“Drugs Used in the Treatment of COPD.” Presented to patients with COPD for the Respiratory Therapy Department at Orlando Regional Medical Center, Orlando, Florida, October 1997.

“The Treatment of Congestive Heart Failure.” Presented to the pharmacy staff at Orlando Regional Medical Center, Orlando, Florida, June 1997.

“Warfarin.” Presented to the pharmacy staff at Orlando Regional Medical Center, Orlando, Florida, April 1997.

PRESENTATIONS (Continued)

“Oral Treatment of Diabetes Mellitus.” Presented to the pharmacy staff at Shands Hospital at the University of Florida, Gainesville, Florida, March 1996.

“Protease Inhibitors.” Presented to the pharmacy staff at Shands Hospital at the University of Florida, Gainesville, Florida, January 1996.

“The Treatment of Atrial Fibrillation.” Presented to the pharmacy staff at Shands Hospital at the University of Florida, Gainesville, Florida, November 1995.

“The Use of Beta Blockers in Heart Failure.” Presented to the pharmacy staff at Tampa General Hospital, Tampa, Florida, February 1995.

“The Treatment of CMV Retinitis in AIDS Patients.” Presented to the pharmacy staff at Tampa General Hospital, Tampa, Florida, January 1995.

“Total Parenteral Nutrition and Electrolytes.” Presented to pharmacists at Aldencare Pharmacy, Boca Raton, Florida, August 1994.

PROJECTS

Created multiple initiatives including treatment algorithm in response to a *C. difficile* associated diarrhea outbreak.

Collaborated with the Antimicrobial Utilization and Stewardship Subcommittee to create an Antimicrobial Management Team.

Collaborated with the Director of the Clinical Antibiotic Pharmacy Service to create learning modules for new and experienced pharmacists for documenting competency for clinical activities.

Collaborated with the Antimicrobial Subcommittee and the Pharmacoeconomic Subcommittee to create an automatic IV to PO interchange protocol

Developed a documentation tool to assist in collecting clinical activities for both staff and clinical pharmacists.

Collaborated with the Corporate Staff Development Coordinator in the development of the Pharmaceutical Care Team. This involves conducting daily pharmaceutical care rounds and acting as a resource for patient specific cases.

Instituted a multi-disciplinary protocol for patients admitted with uncomplicated DVT to be discharged within 24-48 hours, on subcutaneous enoxaparin at home until the PT/INR is within range.

PROJECTS (Continued)

“Aminoglycoside/CrCl Strategic Initiative Team” Appointed as facilitator of a team of pharmacists to evaluate and improve on the current aminoglycoside and vancomycin dosing protocol and evaluate the method of identifying and adjusting medications for renally impaired patients.

Created a system to evaluate and credential staff pharmacists to counsel patients on the proper use of and problems associated with warfarin therapy. After this was accomplished a system to identify patients receiving warfarin and provide counseling to ALL patients receiving warfarin was initiated.

“Extravasation Kit.” Prepared for the Pharmacy and Therapeutics Committee at Manatee Memorial Hospital.

“Part II: Postoperative Antimicrobial Selection and Microbiology Evaluation.” Collected data pertaining to perioperative antimicrobial use at Manatee Memorial Hospital for the Pharmacy and Therapeutics Committee. Manatee Memorial Hospital.

“Part I: Intraoperative Antimicrobial Selection.” Collected data pertaining to perioperative antimicrobial use at Manatee Memorial Hospital for the Pharmacy and Therapeutics Committee. Manatee Memorial Hospital.

RESEARCH

A retrospective study to determine the incidence and severity of adverse reactions during the loading phase of oral amiodarone for the treatment of ventricular arrhythmias. Shands Hospital at the University of Florida. September 1995 to December 1996.

PUBLICATIONS

“Fluoroquinolone resistance at Orlando Regional in increasing” *Pharmascrits*. 2000; 5(11).

“The effect of warfarin loading.” *Rx Pharmascrits*. 1999;4(5).

“Methicillin-resistant *Staphylococcus aureus*: Issues in treatment and control.” *Rx Pharmascrits*. 1999;4(1).

“Outpatient treatment of DVT.” *Rx Pharmascrits*. 1998;3(9).

“Treatment options for penicillin-resistant *Streptococcus pneumoniae*.” *Rx Pharmascrits*. 1998;3(8).

“The evolving role of beta-blockers in the treatment of heart failure.” *Rx Pharmascrits*. 1998;3(2).

PUBLICATIONS (continued)

“Preventing metformin-induced lactic acidosis.” Florida Journal of Health-System Pharmacy. 1997;15(9) pages 6-7.

“Intravenous potassium chloride loading” Rx Pharmascripts. 1997;2(3).

“Preventing metformin-induced lactic acidosis.” Drugs and Therapy Bulletin. 1996;10(6).

“What is the current standard of practice regarding the use of antibiotic irrigation solutions and what does the medical literature state regarding this form of therapy?” Manatee Memorial Hospital Pharmacy Newsletter. 1992;5(4).
